

# COMBS CENTER FOR SUCCESS - LEARNING PATHS

## CCS GRADES 7-12 BLENDED CLASSROOM

## CCS-GRADES 9-12 ONLINE ONLY

### Content Delivery & Instruction

Students are in class with a certified teacher for each class. Teachers work 1 to 1 and in small groups. Students participate in district testing at CCS.

Mentor teacher is assigned to meet weekly to monitor progress. Students may receive assistance from certified staff. Students participate in district testing at CCS.

### Personalization

Students work on individual classes with their own pacing or extended times. Electives are available for online independent study or in person options. Work Experience, JROTC and EVIT are options for CCS students.

Students may work at own pace and choose a schedule that allows for family, work, or training schedules. Students can work ahead. A variety of online electives are available. Work Experience, EVIT or JROTC are options for online students.

### Time Requirements

Daily class time is 4.5 hours, including advisory. Students may choose a morning or afternoon schedule. Electives may be worked on independently online. Each student's schedule determines the classes they work on. Students who are working on credit recovery will need to maximize time spent on classes.

Students must complete 25 hours per week to stay up with pacing guides. Students may work Monday through Saturday if they choose. Logs must be turned in each week. Instructors are available during the school day. Students who do not remain active in courses may have them disabled.

### Accommodations

Students with a 504 or IEP will have accommodations provided. Prior to attendance at CCS -the CHS or CMS IEP team will meet to discuss appropriate accommodations and services.

Students with 504 or IEP will have their accommodations provided. We will work with the student's case manager or counselor to determine appropriate placement accommodations, and services.

### Activities

Field trips and activities are available. Students may participate in extracurricular clubs and athletics at CHS provided a student is in good standing and has eligibility remaining. All current seniors may participate in CHS activities for 2021 graduates.

No in-person activities or field trips. Students may participate in extracurricular clubs and athletics at CHS provided a student is in good standing and has eligibility remaining. All current seniors may participate in CHS activities for 2021 graduates.
